**IMMUNIZATION CERTIFICATE**

Iowa law requires parents to assure their children are adequately immunized against polio, diphtheria, tetanus, whooping cough, measles and rubella before enrolling them in a school. A certificate of immunization must be filed with the school.

**EMERGENCY PROCEDURES**

The Keokuk Community School district has adopted a Crisis Management Plan that provides for the evacuation of students to a safe location (first priority another school building in the district) in case of extreme emergency. The superintendent of schools

will serve as a central communication source for the District and will use local radio station KOKX - AM - 1310 for public announcements and bulletins to parents. Power Announcer will also be utilized for announcements and bulletins. The announcements will include the procedures for the release of students to parents. During an emergency situation parents and community members should utilize the radio rather than to try to contact the schools via telephone. Telephone lines need to be reserved for emergency communication with the appropriate authorities.

#### **FEES**

Registration fees are set annually by the Board of Education. Special course fees may also be established. These fees will be collected in each course. Students, whose families meet the income guidelines for free and reduced price lunch, the family investment program (FIP), supplemental security income (SSI), transportation assistance under open enrollment, who are in foster care or whose families are experiencing temporary financial complications are eligible to have their student fees waived or partially waived. Parents or students contact the building principal for a waiver form. This waiver does not carry over from year to year and must be completed annually. Students in need of financial assistance to pay fees should consult with their teachers, counselor, or principal. The principal may authorize the use of the Aldrich Trust to assist students in need. All fees must be paid before students will be able to attend Homecoming festivities, Prom festivities, and/or participate in the Graduation exercises.

#### **FINES**

A fee is a charge or payment for professional services. A fine is a sum of money imposed as a penalty for an offense or dereliction. For example, returning a book late to the IMC will result in a fine. Fines are not subject to financial waivers of any type. Failure to pay a fine may result in refusal of future services for which the fine was originally imposed. It is expected that all fines will be paid in full prior to the end of the school year in which the fine was imposed. Fines need to be paid in full prior to attending/participating in school dances and other school sponsored activities.

There will be a beep before each question is asked. After the reason for the absence you may hang up.

#### **SCHOOL ANNOUNCEMENTS AND CLOSINGS**

#### **TELEPHONE CALLS**

Students may use the school phone for emergency calls after first obtaining permission from any secretary, teacher or principal. Students receiving telephone calls from parents will have a message forwarded to the student. Only in an emergency will the student be called to the office.

#### **CELL PHONES**

Cell phones are not a right at school but a privilege. Students will be allowed to carry cell phones and use them during lunch and passing times. Cell phones can be deemed as distracting to the learning environment and are not permitted during class instruction **unless permitted by the teacher**. If a student's cell phone disturbs class or is out during instruction, it will be turned over to the teacher immediately. If a student refuses to give the phone to the teacher, the student will be sent to ISS or to administration. If the student continues to refuse to give administration the phone they will be sent home and given another day of OSS for insubordination. If cell phone use continues to be a distraction or an issue, a problem-solving meeting with the parent/guardian will be held and an action plan will be implemented, which could include checking the phone in at the office until further notice.

### WAIVERS OF INTERMEDIATE DRIVER'S LICENSE HOUR RESTRICTION

Students holding an Iowa Intermediate Driver's License need a waiver to drive without a parent/guardian, family member over 21, or designated adult over 25 between the hours of 12:30 a.m. and 5:00 a.m. due to returning from a school activity or work. Waiver forms are available from the principal. Waivers for school activities are issued per activity not for a semester or year and apply only to those times when students would be returning home after 12:30 a.m. from a school event or work. For information concerning permits see the building principal.

### DROPOUT/DRIVER'S LICENSE

Iowa Law now requires school districts to notify the Iowa Department of Transportation when a student under the age of 18 voluntarily withdraws from school. Iowa Code 321.213B provides for the revocation of a juvenile's driver license if he/she has voluntarily dropped out of school.

### **GRADING**

Grades are an evaluation of what the student has learned. They become part of a permanent record. Institutions of higher learning, potential employers, and the various military services are all interested in a student's high school records. Students are evaluated according to scholastic performance each quarter (9 week period) and at the end of each semester. Mid-term grades are an indicator of work being done in a course and become part of the semester grade which is recorded on the permanent record.

Courses awarding letter grades and meeting for one period, five times a week for a semester will award one credit for all letter grades of "D" and above. A 4.0 scale (A-4.0, B-3.0, C-2.0, D-1.0, F-0.0) will be used to calculate grade point average (GPA) for all courses awarding credit. The calculated grade point average (GPA) will be used for the official permanent transcript, class rank, extra-curricular eligibility, honor rolls, all local academic awards, and membership in the National Honor Society for Keokuk High School.

Courses designated Advanced Placement (AP), the regular chemistry course and the regular physics course will use an optional weighted scale of A-5.0, B-4.0, C-3.0, D-2.0, F-0.0. This transcript is used only for the purpose of postsecondary admissions and is not used for the student's official permanent transcript, class rank, extra-curricular eligibility, honor rolls, academic awards or membership in the National Honor Society of Keokuk High School

The following letter grades are used to assess student work:

A--Excellent or Superior (4.0)	P—Pass
B--Good or Above Average (3.0)	F--Failure--Work below passing
C--Fair or Average (2.0)	NC-- no credit earned
D--Poor but Passable (1.0)	I--Withheld until incomplete work can be made up.

### **COURSE RECOVERY POLICY**

Any student that fails a core class (ELA, Math, Social Studies, and Science) is subject to repeating the following semester or year over. Online classes will be used for students that are deemed at risk by the class requirements above or for extended learning outside of the KHS course offering and/or curriculum.

## **GRADE POINT AVERAGE, CLASS RANK**

Courses awarding letter grades and meeting for one period, five times a week for a semester will be used for computing the grade point average. All courses awarded a letter grade (A, B, C, D, F) are used to compute class rank.

## **SEMESTER EVALUATIONS**

Semester evaluations are given the last two days of each semester. Students must be in attendance in each class period on semester test days according to the State of Iowa Department of Education. The time schedule for semester evaluations will be announced in the monthly newsletters and posted in classrooms.

## **SCHEDULE CHANGES**

### **BEGINNING OF SCHOOL:**

Each period needs to be filled. Changes must be done prior to the start of the school year. The Student Services team and administration will be available during registration.

### **AFTER SCHOOL BEGINS:**

Once school begins, students will only be allowed to change schedules under three circumstances:

- 1) Wrongful academic placement
- 2) Teacher requests the change
- 3) Upon meeting with administration and consultation with the parent the request is approved.

### **CONSEQUENCES OF WITHDRAWAL:**

Students enrolled in six (6) subjects plus physical education may withdraw the second semester provided they have written permission of a parent and make the request before the end of the fifth day after the semester begins. After the five (5) days they can withdraw with permission and receive an "F" for the semester. To receive credit they must remain in the class for the entire semester. A student enrolled in the minimum load (six subjects plus physical education) who withdraws from a course shall receive an "F" for the semester.

## **COURSE DROP POLICY**

Any student wishing to drop a course must do so within 5 school days of the start of the new semester. Any drops after 5 days will result in an "F" on the student's permanent transcript. Courses will not be dropped or switched to coordinate schedules of friends or to ensure choice of instructor. A drop will be considered in cases of wrongful academic placement. Any student wishing to drop a course must have permission from his/her parent/guardian, his/her counselor, his/her instructor and the principal. Once a course is dropped, the counselor will work with the student and parents to find an acceptable course to fill the student's schedule.

## **GRADE LEVEL RESTRICTIONS**

The availability of a course to a student is subject to the grade level restrictions and fulfillment of pre-requisites. It is not general practice to allow a student to take a course before the appropriate grade level or without the necessary pre-requisites.

## **TRANSFER STUDENTS**

Students transferring to Keokuk High School will have their transcripts evaluated by the Guidance Center. Recommendations will then be made to the administration regarding the course of study and requirements needed for graduation.

## **COURSE OFFERINGS**

Course Offerings will change

## **DUAL CREDIT/SCC COURSES**

All KHS students enrolling in a dual-credit course offered off the KHS campus must plan for punctuality and scheduling. In order to plan properly, students must speak with a guidance counselor the year prior to dual-credit course attendance. It is the student's responsibility to arrange for transportation. Any student returning to the KHS campus from a dual-credit class offered off the KHS campus will be expected to arrive on time for their KHS courses. Students should not arrive prior to passing; loitering is not acceptable in the hallways, main office, nurse's office, IMC, or the ISS room.

## **FAILURE OF DUAL CREDIT/SCC**

It is a privilege that our district pays for dual enrollment courses. Students are expected to take this opportunity seriously. If a student fails a dual credit course that the district pays for, they will be expected to reimburse the full amount of tuition; minus the \$50 paid for textbook rental.

## **ACADEMIC HONORS**

The first Kilbourne Prize (valedictorian) is awarded to the student in the graduating class who receives the highest grade point average and the second Kilbourne Prize (salutatorian) is awarded to the student in the graduating class who receives the next to the highest grade point average. In the event of a tie for the highest honors, no second prize is awarded. Only those students attending Keokuk High School at least three full years shall be eligible to receive these awards.

### **MAUD MARSHALL HASSALL AWARD**

The Maud Marshall Hassall Award is supported by a trust fund. The award was established December 12, 1955 by the Board of Directors and is given to the graduating senior who has maintained the highest grade point average while enrolled for four years at Keokuk High School.

### **HONOR STUDENTS**

Beginning with the Class of 2015 students earning a 3.25 grade point average or higher for their high school career will be designated Honor Students. Honor students will be recognized at Class Night and Commencement.

### **HONOR ROLL**

Additional course work taken outside the regular program will not apply to the honor roll. A student receiving an incomplete grade or an "F" in any subject is not eligible for inclusion on the honor roll. When a student passes all subjects the grade point average will be calculated by dividing the grade points by the number of courses that have the letter grades (A, B, C, D). Grades earned in courses taken under the Postsecondary Enrollment Options Act are included in calculating the honor roll, grade point average, and class rank. Other coursework taken outside the regular program will be evaluated by the counselors to be determined if it can be used in honor roll and class rank calculations.

## CONDUCT-DISCIPLINE

You are a citizen of a community known as Keokuk High School. Membership entitles one to rights and privileges as well as corresponding responsibilities. In all communities there exists the possibility for disagreements among people. When such disagreements do arise, there must be some way or someone to settle the disagreements in order to avoid chaos within the community. A structure is needed in order for learning to take place. That structure is founded on the principle of due process.

The responsibility for the resolution of disagreements has been given by the State of Iowa to the Board of Education of the Keokuk Community School District and through the Board to the principals and staff of our school community. To carry out this responsibility fairly, each student citizen's rights need to be stated:

- A. Each student has the right to be free from physical and emotional harassment as they attend class, pass through the halls, and attend school activities.
- B. Each student has the right to choose the style of one's dress as long as that style of dress is clean, decent, safe, and not disruptive to the educational community.
- C. Each student and staff member has the right to be treated with respect.
- D. Each student is allowed the privilege to participate in curricular and extracurricular activities as long as requirements of the State of Iowa and the Keokuk Community School District are met. The student must also demonstrate that they have the ability to represent Keokuk High School and community in an acceptable fashion. Guidelines are outlined in the *Student Activities Handbook*.
- E. Each student has the right to express views and opinions provided they do not infringe upon the rights of others. School is considered a limited open forum; therefore freedom of speech is limited in some cases to ensure this freedom does not interfere with our primary purpose of educating students. What is acceptable in the hallways or lunchroom is not necessarily acceptable in the classroom. What is acceptable outside of school is not necessarily acceptable in school.
- F. Each student has the right to a fair disciplinary hearing.
- G. Each student has the right and is encouraged to bring concerns regarding school to the attention of the principal, associate principal, staff, and the student council.

By accepting these rights and privileges the student agrees to assume these duties, responsibilities and obligations:

- To follow the rules and regulations of the school.
- To work to the best of one's ability.
- To achieve academic progress.
- To cooperate with staff and fellow students.

Effective citizenship is one goal of the educational program of this school. To accomplish this, a learning environment conducive to the educational welfare of all students is desirable and needed. Any student violating the rights of others will be held responsible in accordance with the rules and regulations of the school.

## HARASSMENT POLICY as stated in Iowa Law 708.7

Any teacher, administrator, or other school personnel who has knowledge or belief that a student has or may have been the victim of prohibited harassment is required to immediately report the alleged acts to an appropriate District official designated by this policy.

Any other person with knowledge or belief that a student has or may have been the victim of prohibited harassment is encouraged to immediately report the alleged acts to an appropriate District official designated by this policy.

The District encourages the reporting party or complainant to use the report form available from the principal of each building and available from the District office, but oral reports shall be considered complaints as well. Nothing in this policy shall prevent any person from reporting harassment or violence directly to a District Human Rights Officer or to the Superintendent.

A. **In each school building.** The building principal is the person responsible for receiving oral or written reports of prohibited harassment at the building level. Any adult District personnel who receives a report of prohibited harassment shall inform the building principal immediately. Upon receipt of a report, the principal must notify the District Human Rights Officer immediately, without screening or investigating the report. The principal may request, but may not insist upon, a written complaint. A written statement of the facts alleged will be forwarded as soon as practicable by the principal to the Human Rights Officer. If the report was given verbally, the principal shall personally reduce it to written form within 24 hours and forward it to the Human Rights Officer. Failure to forward any harassment report or complaint as provided herein will result in disciplinary action against the principal.

If the complaint involves the building principal, the complaint shall be made or filed directly with the Superintendent or the District Human Rights Officer by the reporting party or complainant.

B. **In the District.** The Board hereby designates Level One Investigators as responsible to identify, prevent, and remedy harassment: Level One investigators are identified on the District's website on the home page. If the complaint involves the Human Rights Officer, the complaint shall be filed directly with the Superintendent. The District shall conspicuously post the name of the Human Rights Officer, including mailing addresses and telephone numbers.

The Human Rights Officer shall:

1. receive reports or complaints of harassment;
  2. oversee the investigative process;
  3. be responsible for assessing the training needs of staff and students in connection with the dissemination, comprehension, or compliance with this policy; and

#### IV. INVESTIGATION

By authority of the District, the Human Rights Officer, upon receipt of a report or complaint alleging prohibited harassment, shall immediately undertake or authorize an investigation. The investigation may be conducted by District officials or by a third party designated by the District.

The investigation may consist of personal interviews with the complainant, the individual against whom the complaint is filed, and others who may have knowledge of the alleged incident or circumstances giving rise to the complaint. The investigation may also consist of any other methods and documents deemed pertinent by the investigator.

In determining whether alleged conduct constitutes a violation of this policy, the District should consider the surrounding circumstances, the nature of the behavior, past incidents or past or continuing patterns of behavior, the relationships between the parties involved, and the context in which the alleged incidents occurred. Whether a particular action or incident constitutes a violation of this policy requires a determination based on all the facts and surrounding circumstances.

In addition, the District may take immediate steps, at its discretion, to protect the complainant, students, teachers, administrators or other school personnel pending completion of an investigation of alleged harassment.

The investigation will be completed as soon as practicable, but no later than fourteen (14) days from receipt of the report unless one or more material parties cannot be identified or contacted. The District Human Rights Officer shall make a written report to the Superintendent upon completion of the investigation. If the complaint involves the Superintendent, the report may be filed directly with the Board. The report shall include a determination of whether the allegations have been substantiated as factual and whether they appear to be violations of this policy.

#### V. DISTRICT ACTION

A. Upon receipt of a report that a violation of this policy has occurred, the District will take appropriate action. Such action may include, but is not limited to: warning, suspension, exclusion, expulsion, transfer, remediation, termination or discharge, counseling, training, or parent-teacher conferences. District action taken for violation of this policy will be consistent with requirements of applicable collective bargaining agreements, Iowa and federal law, and District policy.

In order to determine what is an appropriate response to a finding that harassment in violation of this policy occurred; the District shall consider:

1. what response is most likely to end any ongoing harassment;
  2. whether a particular response is likely to deter similar future conduct by the harasser or others;
  3. the amount and kind of harm suffered by the victim;
  4. the identity of the party who engaged in the harassing conduct; or
  5. whether the harassment was engaged in by school personnel, and if so, the District will also consider how it can best remediate the effects of the harassment.
- B. The result of the District's investigation of each complaint filed under these procedures will be reported in writing to the complainant by the District in accordance with state and federal law regarding data or records privacy.

#### VI. REPRISAL

Submission of a good faith complaint or report of prohibited harassment will not affect the complainants or reporter's grades or educational opportunities. The District will discipline or take appropriate action against any student, teacher, administrator or other school personnel who retaliates against any person who reports alleged harassment or any person who testifies, assists or participates in an investigation, or who testifies, assists or participates in the proceeding or hearing relating to such harassment. Retaliation includes, but is not limited to any form of intimidation, reprisal or harassment.

#### VII. RIGHT TO ALTERNATIVE COMPLAINT PROCEDURES

- D. This policy shall be reviewed at least annually for compliance with state and federal law.

#### **Conflict Resolution**

When conflict occurs between two or more students and is reported to an instructor, administrator, or guidance counselor, the option for conflict resolution may be given. If all students agree, an administrator and/or guidance counselor will conduct the

conflict resolution. During the conflict resolution, each party will have an opportunity to share their perspective in a respectable and productive manner. The guidance counselor and administrator will ask questions for clarity as needed. At the conclusion of the resolution, all parties will be made aware of behavioral expectations, potential consequences for escalating behaviors and methods for de-escalation. All conflict resolutions will be documented in Powerschool.

## GENERAL RULES

### ATTENDANCE

The Keokuk Board of Education has adopted an attendance policy that requires students to attend 1,080 hours per academic year.

### REPORTING ABSENCES

Absences may be reported by telephone or written note. Parents may call the school (524-2542 - SELECT OPTION 1) to report an absence. Written notes should be brought to the high school office.

### KEOKUK HIGH SCHOOL ATTENDANCE GUIDELINES

#### Definition of Absences:

- A. A student shall be considered absent in a class when s/he has missed more than 10 minutes of the class period.
- B. A student shall be considered tardy in a class when they are not in the room and have not met teacher's requirements in terms of classroom readiness.
- C. An Excused Absence is when the school has received a call/note from a parent with sufficient information to determine that the absence is for an acceptable reason. Excused absences will be recorded as an E (excused) or Y (planned). An excused absence allows the student the right and the responsibility to make up missed work. The guideline for makeup work will be two days allowed for each day missed. Such work will be counted toward the course grade.

#### An Excused Absence is defined as:

Verified Illness	Medical Treatment
Family Emergency	Court appearance
Death in the family	

Other appropriate reasons as determined by the principal, such as but not limited to educational activity, emergency and unavoidable absences and absences for religious reasons.

- D. **An Unexcused Absence** is when the school determines that the call/note received from a parent is not an excusable reason to be absent from school or a call/note has not been received. Unexcused absences will be recorded as **V** (unexcused). An unexcused absence gives the student the right to complete missed work in a reasonable time, generally defined in the case of an unexcused absence as one day following the student returning from school. All work due on the day missed will need to be turned in immediately upon the student returning or no credit will be given.
- E. **Truancy** An unexcused absence will be considered a truancy if a parent/guardian does not call the Student Services office to report the absence between 7:30am - 3:30pm on the day of the absence. Student Services will also accept a note from the parent/guardian on the day they return until 8 am.
- F. **Tardiness** is also unacceptable as not only is the student missing out on valuable learning time, but they also interrupt the learning of others when they arrive late. Students will receive an unexcused absence for every fourth tardy they receive in a specific class.

#### General Procedures Concerning Attendance and Credit

Establishing good attendance habits is essential for success in the world beyond school. In order to reinforce this in the school setting the following program has been established:

#### KHS ATTENDANCE POLICY

An unexcused absence includes all absences except for medical (requires doctor's note), school activity/trip, family emergency, death in family, medical treatment (requires doctor's note), court appearance, or other appropriate reason as determined by the principal, such as but not limited to educational activity, emergency or unavoidable circumstances and absences for religious reasons.

#### Unexcused Absences:

An unexcused absence is an absence from class or an assigned activity without the permission of a parent/guardian and an administrator of Keokuk High School. During the school day, a student must have permission to be absent from a scheduled class/activity. If a student is seen in school or in the vicinity of school when he/she should be in class, he/she is unexcused and cannot be excused by a parent/guardian. School officials retain the final authority for determining what constitutes an unexcused absence.

- + 1st Office Visit- 1 Hour Detention (Parents Called)
- +2nd Office Visit- 1 day ISS (Parents Called)
- +3rd Office Visit- 2 days ISS (Parent and Student Problem Solving Meeting)
- +4th Office Visit- Student will be at the Learning Center where attendance will be monitored before that student can

return.

\*See below- Referral to the Learning Center omit School Board

**If nonattendance is pervasive (documented in more than 1 class) consequences may include but be limited to:**

- Lunch detentions, in-school suspension or out of school suspension
- Loss of credit
- Dropped from class
- Referral to the Lee County Attorney for compulsory attendance age students
- Loss of Driver's License based on Chapter 299 of Iowa code
- Referral to the School Board

**Medical documentation will be required for each absence after the sixth excused absence. A parent/guardian failing to comply with the compulsory attendance law will be referred to the Lee County Attorney.**

**LEAVING SCHOOL**

A student, who must leave school early, must sign out with Student Services. A reason for leaving must be given by the student's parents. If a student does not sign out, class absences will be considered truancies.

**SPECIAL SCHOOL TRIPS**

Students absent during a school day due to a school sponsored trip are not considered absent. As a general rule assignments for classes missed as a result of a trip should be completed and turned in **before** the trip.

**CAREER PLANNING**

Students are encouraged to plan for their future with their parents. Plans should include visiting schools and attending career days and fairs, interviewing for jobs, and/or meeting with recruiters. When visits are taken on school days, students should arrange these visits through Student Services.

**ASSIGNMENT REQUESTS**

When a student is absent from school several days, a request for assignments may be made by calling 524-2542. Please allow at least a day for staff to be contacted and assignments to be returned to Student Services.

Students, who have prior knowledge of an extended absence from school, are encouraged to obtain permission to make up their work before the absence. Parents should direct requests to Student Services.

**DETENTION**

There are two types of detentions: (1) administrative assigned and (2) teacher assigned. Administrative detentions are used by the principals as disciplinary action for truancies and by teachers or the dean of students, when they are in a supervisory capacity, such as hall supervision when a student fails to have an admit to class.

Teachers supervise students for detentions they issue. Teachers are to turn in detention notices to the office each day or log them into PowerSchool. Teachers will determine the time and the activities the students will do during that time.

Administrative detentions will be served with an administrator before or after school. Detentions must be served within two (2) school days (if absent, an additional day is added for each absence).

**Minor Behavior and Escalating Supports**

Office Visit #1 for minors - 1st major - 30 minute detention parent phone call home (generally after 3 minors)

Office Visit #4 - 4th major - 1 day ISS begin investigating alternative educational settings

Office Visit #5 - 5th major - 2 days ISS or 1 day OSS - recommendation for alternative educational setting

**Cheating**

If a student is accused of cheating on a test in any form, an investigation will take place by administration. If the student is found guilty of cheating they will not receive any credit for the test or the assignment. No retakes will be accepted. **Cell phone usage will be prohibited during all testing done at Keokuk High School. This will reduce the chances of a student being accused of cheating. Teachers will have an area to collect all cell phones during testing periods in the classroom.**

**Distribution of a Test**

Using any form of communication or social media to distribute a test is considered a serious offense at Keokuk High School. If a student is found to have taken pictures or copies of a test and have distributed it to a group of students, through the use of social media or any other form of communication, that student will be withdrawn from the course with a failing grade.

## **SUSPENSION/EXPULSION**

Absences from class will be accumulated for attendance; however, the student will complete class assignments for credit **Out-of-School Suspension** -- The student is excluded from attendance at school or any school event. (Students will not be allowed to participate in extra-curricular activities during the time they are suspended) After the third suspension during a school year, a conference will be held with the student, parents, administration, and superintendent to determine the educational opportunities that are available to the student.

Students may be subject to expulsion by the Board of Education for repeated or serious violation of school rules and regulations. The Board of Education may expel a student for a first violation of a rule. Expulsion is the removal from school of a student. Students found possessing, chewing, or smoking tobacco may be subject to suspension or expulsion for violation(s) of this rule.

### **ALCOHOL/DRUG DEPENDENCY PROBLEMS**

The Keokuk Community School District believes that alcohol/drug dependency is a health problem and that the school should use resources to support, encourage, and assist students to voluntarily seek treatment. To this end:

1. Information received from students and/or parents, who voluntarily seek the assistance of the school concerning alcohol/drug dependency problems, shall be considered privileged and maintained in confidence.

### **STUDENT LOCKERS**

All students are assigned lockers with the school retaining the right of joint custody. General locker searches may be conducted without prior notice; however, a student must be notified within a reasonable time after a search is conducted. When a reasonable suspicion exists of a violation of criminal law or school rule, a student locker may be searched.

All visitors are subject to Keokuk High School rules.

Instead of writing separate checks for each student, one check may be written and sent with one child for payment for all the children in a family. High school students will have their bar code on their **STUDENT IDENTIFICATION CARD (ID CARD)**. The bar code on the **STUDENT ID CARD** will keep track of each lunch and additional food items purchased by the student. Each day the account is used the system subtracts that amount from the account. **ALL HIGH SCHOOL STUDENTS ARE REQUIRED TO USE STUDENT ID CARDS.**

Deposits to lunch accounts may be made any school day or mailed directly to the Keokuk Community School District, Attn: Food Service Director, 2002 Orleans Street, Keokuk, IA 52632. High school students may make deposits from 7:30 a.m. to 8:00 a.m. in the Cafeteria.

Purchase of a lunch or extra food is made by using the **STUDENT ID CARD**.

If a card is lost, it will be necessary for the student to purchase a replacement **STUDENT ID CARD**. If a student doesn't have money to buy an ID card, a temporary paper ID will be printed until the lost card is found. The cost of a replacement card is \$1.00.
