

K-Det Band Order Form - Optional

This order form is DUE by Friday, August 30.

Please put both the order form and your payment inside a **sealed envelope marked with your name and "Order Form."** Checks may be made out to: "KMS Bands" Please keep this **separate** from instrument rental fees / forms.

The following items and costs are listed below. Throughout the school year, it is important that supplies and instrument care continue to be provided. The following items may all be ordered **directly from a music store** either in person or online. That is a great option.

You may opt to get the following items through our Band Boosters organization. This is only offered at the beginning of the year to conserve on time spent collecting and processing these orders. Choosing the following is completely optional. However, please **plan to resupply reeds, oils, grease** and encourage your child to let you know when these items are needed **throughout the school year.**

Scholarships for fees are available for anyone who needs them. Simply write a note on the back of this form and pay what you are able to pay.

NAME: _____

OPTIONAL Items: Remember that scholarships are available (read ABOVE for details).

Make all checks payable to "**KMS Bands**"

Standard of Excellence, Book 1 Enhanced ("Red Book"): **\$10.50** (ONLY if you don't have these. One book comes with any **school rental** instrument.)

Clarinet players: **\$10** Clarinet neck strap. This reduces the weight of the clarinet, relieving thumb and arm aches and enabling all players to play longer. Use of the neck strap promotes correct hand and finger position and reduces common technical problems by easing tension in fingers, wrists and arms.

\$16 Luyben Ligature for clarinet. This is made of rubber instead of metal and holds the reed onto the mouthpiece. It helps to improve tone quality.

REEDS for woodwind players: \$38

1 year supply of Rico Royal Reeds: **Any type** of clarinet or saxophone

(music boosters will provide you as many reeds as you need throughout the school year)

4-6 good reeds should ALWAYS be in a student's case. Reeds are **disposable and do NOT last forever**. Typically, a student should go through 2-3 boxes / year. One box is about \$25-40 depending on brand/instrument. It is possible to buy **faulty reeds**. Please use the "Rico Royal" brand or at least check with the band director before ordering another brand of reed.

Reed and Brass Players (no flutes): \$5

1 year supply of cork grease or slide / valve oil (music boosters will provide these as you need them throughout the year)

Please **mark** the items that you are ordering:
