*Schedule outside appointments on days that we are not testing or in the afternoons during that week. Thank you!

!WOW!

**JUMP ROPE FOR HEART
RAISED A RECORD \$12,430.00**

Thanks to everyone who helped make our Jump Rope for Heart event successful! Thanks to all who donated. The kids were able to raise \$12,430.00. The kids not only learned how to jump rope, but they learned about the structure of the heart, problems that affect the heart, and how to keep their hearts healthy.
