Dear KHS Families,

I want to say how proud I am to see all of our students competing in all of our sports and activities. We have had quite a month! Between presenting at the capitol and leading the state in our STEM projects, to receiving division 1 ratings with our band and broadcasting team, and all of our sports that have worked extremely hard to compete for state this year. Not to leave out our Show Choir that is still competing and receiving championship ratings. We have so much to be proud of and I want to recognize our students' efforts in competing and showing what K-Pride is all about. You have made our school and our community proud!!!

I also wanted to thank all of the parents that made it out for our parent teacher conferences. We had the highest percentage of parents attend since I have been at the high school at 59%. We nearly doubled our participation rate and I want to thank you for that! Communication with our teachers is the key to your child’s success. Please continue to communicate with your child’s teachers and encourage your child to take advantage of our Chief Mondays to get help in their classes. Our teachers are here and available every Monday until 4:00. Also, we have begun lunch and learn for any students with a failing grade. Please help us support your child so that they can stay ahead and not fall behind with their grades.

The week of March 17th is our state testing. This is a very important time as our state takes testing very seriously. Not only is our school rated for this test, but we utilize the results to ensure that your student is progressing academically and to ensure they are placed properly into classes. Please talk to your child about the importance of this test and the results we sent to you in the fall from the previous year. Encourage your child to do their best! Also, make sure they are resting and eating properly that week so they can give their greatest effort. The schedule for the test is attached in this newsletter. Notice we will have a schedule very similar to our finals schedule, please plan accordingly. As always thank you for your continued support, we love our school and we love our students!

Educationally Yours,

Adam Magliari  
KHS Principal
