

The Keokuk Community School Foundation, a not-for-profit organization chartered in 1990, was established to help meet the growing financial needs of the Keokuk Community School District. The Keokuk Community School Foundation realizes that the best way for our children to flourish in the future is to give them the very best education available.

Our purpose is:

- Assist economically in the improvement of education of students in the Keokuk Community Schools.
- Provide assistance to those functions not readily supported by the use of tax funds.
- Promote pride in the Keokuk Community Schools through increased alumni relations and civic awareness.

The Foundation supports the KCS D teachers through a mini-grant program. Any teacher can request funding, up to \$300, for a classroom project. The Foundation proudly gifts on average **over \$6000** to qualified teachers' requests.

The Foundation supports our students by awarding scholarships to graduating seniors. Each May, approximately **\$30,000** was granted to different seniors who are planning on continuing their education.

Both of these very successful programs are made possible by the generous monetary donations of our alumni and friends of the district. Without these donations, the Foundation would no longer be able to support our teachers and students.

We would like to invite you to join the growing number of your fellow alumni who chose to donate to the Keokuk Community School Foundation.

You can make a difference in the lives of our KCS D students!!
